

## CARPENTER BUS SALES INC.,

working directly with music industry and touring veterans, have developed the new Mid-Size Custom Coach to provide affordable transportation for a wide variety of touring and travel scenarios.

With fully customizable floor plans, these coaches are ideal for: small budgets, road crews, short run tours, radio tours, label and management executive trips, star coaches, mobile recording studios, race teams, personal RV's, and more. The Mid-Size is also a perfect solution for leasing companies looking to expand their fleets and appeal to a broader artist base.

## THE NEW ALTERNATIVE IN TOURING

- » Purchase & Rental options available
- » No CDL required to drive
- » Simple operational controls. No large power distribution switch panels to worry about.
- » Maintenance can be serviced at any local dealership
- » Floor plans can sleep up to 12. All bunks are standard 6' 6" (can be easily converted to condo bunks) with A/C & Heat, AC power, and optional flip down DVD players
- » Interior options designed with comfort in mind, including flat-screens, surround sound, leather fabric, wood grain, recessed lighting, recessed mirrored ceiling with rope lighting, privacy curtains, co-pilot seat, carpet and/or tile floors, stainless steel appliances, restrooms, dining booths with tables, full length couches, deluxe air-ride driver's seat.
- » Other options include GPS systems, satellite TV, back-up camera, satellite radio, showers, washer/dryer, and much more!
- » Models up to 40' long
